**Cheerful tastes,
bright choices.**

laminata.

Carefree charm.

Looking for a beautiful laminate floor that's full of life? **Smartline by BerryAlloc** is sure to delight you with its fun, vivacious character and highly realistic wood looks. These cheerful floors will bring many moments of joy into any home and their exceedingly practical nature is made for all kinds of lifestyles. Water-resistant, scratch-resistant, extra-easy to install and maintain... Take your pick because this floor has it all.

Smartline 8 V4 Liverpool Oak

Follow your heart. Think smart.

What's in a name?

With Smartline by BerryAlloc, you know you're making a smart choice. You're choosing a gorgeous floor with genuine charm and the authentic look and feel of real wood. You're choosing premium quality laminate, made in Belgium. You're choosing scratch-resistant. Easy maintenance. Easy installation. Easy on the wallet, and easy on the eyes. Need we say more? In this case, the smart choice is the right choice.

Water resistant? Yes, please!

This collection gives you the choice between Smartline 8 V4 and Smartline 8 hydro+. What's the difference? Smartline 8 hydro+ is fully water-resistant thanks to the hydro+ technology that's applied to all sides of the plank – and this has well-proven its durability, quality, and value for money after years of exposure to daily situations. Mix and match both types of floors and create a wonderful flow in your home from your hallway, living room and kitchen, to your bedroom and bathroom. Beautiful wood looks for every step? Check!

(L x W x H)

Maintain

This biodegradable and fragrant **laminate cleaner** is suitable for both first-time maintenance and regular use. 1 litre.
(LC1000)

Looking to install Smartline 8 hydro+?

Fully protect your Smartline 8 hydro+ floor by using specialised hydro+ accessories for a 100% water-resistant floor.

Fillertwine
Use the Fillertwine joint sealing strip as a base for sealant. Fill in all expansion gaps to make sure your floor can still shrink and expand.
10 m / Ø 8 mm
Ref: 63002899

Hydro+ sealant
This specially developed sealant protects the edges of your floor from humidity, and should be used in expansion points at perimeters, under doorways, and around pipes.
310 ml
Ref: HPSILICONE

Installation tips.

Not sure how to get started? No worries. You'll find detailed installation instructions available in the packaging and on our website. Thanks to the efficient PentaLoc locking system, you're all set for an easy and straightforward installation.

When installing, keep the following tips in mind:

- Read the installation manual beforehand and closely follow each step.
- Use one of our BerryAlloc underlays for added stability and minimised walking sound.
- Use our matching accessories for a sophisticated finish.
- Remember to use our specialised hydro+ accessories when installing Smartline 8 hydro+.
